The purpose of this amendment is to respond to requests for clarification.

One question noted that SF33, Block 9 stated that an original plus one copy of the offeror's proposal should be submitted, in apparent contradiction to Provision L-13, which called for higher numbers of copies of the Technical/Management and Business proposals. The answer is that only an original and one copy of the signed SF-33 with Section B and all other data with space for entry on the RFP pages (by including those filled-in pages or by a listing of data to be entered) is required. However, the proposal volumes for the technical and business supporting data should be submitted as indicated in Provision L-13.

One question noted that minimum qualifications were stated for only five of six Spacecraft Electronics Assembly Technicians (Position 25) and requested the minimum qualifications for the sixth. The requirement is correct as stated: there is no minimum requirement for years of experience for the sixth person.

The following revisions to the RFP are made:

Section A, Solicitation/Contract Form, Table of Contents:

Change the page for Section D from 5 to 4.

Section G – Contract Administration Data, Provision G-6, Incremental Funding:

Close the asterisked parenthetical sentence.

Section J – List of Documents, Exhibits, and Other Attachments, Attachment J-1:

Change the number of pages for the Statement of Work from 17 to 15.

Section L

– Provision L-12, Volume I – Technical/Management Proposal:

Remove Italics from “2. Management Approach, Company Experience and Facilities.”

- Provision L-13, Volume II – Business proposal:

Indent the heading “(4) Government Subcontracting Goals” to match the indenting for Paragraph (3).

Section H – Special Contract Requirements, Provision H-2, ONR 5252.237-9705 – Key Personnel (DEC 88), Paragraph (d):

The following position is added to the list: Orbit and Trajectory Analyst

Attachment (4) – Format for Non-Key Personnel Qualifications:

For Position 12, Orbit and Trajectory Analyst:

Under “Synopsis of Years of Experience,” delete text and substitute “(Key position only). Under “Names/firm” and “Years Experience,” insert hatch marks in five empty blocks.

For Position 20, Instrumentation Engineer”

Delete the table for position 20 and substitute the following table:

#	<u>Position Title</u>	<u>Synopsis of Years of Experience*</u>	<u>Names/ firm</u>	<u>Years Experience</u>		
				<u>a.</u>	<u>b.</u>	<u>c.</u>
20	Instrumentation Engineer	<ul style="list-style-type: none"> • a. 5 years aerospace, including • b. 5 years design experience in measurement and instrumentation systems 				///
