C. Answer questions and provide clarifications as follows:

1. " Does the Government truly intend for all nine positions in the Sr. Research Scientist category (2.1) to be key? Is this also the case for the Sr. Scientist (2.2) and Sr. Research Scientist in Physical/Structural Acoustics (2.3) categories? This seems to be an excessive number of key positions. Would the Government agree that one key position in each of the aforementioned labor categories is sufficient?"

ANSWER: In 2.1 there are 7 key positions, the Sr.Scientist and Sr. Research Scientist in Physical Structural Acoustics are to be key.

2: " Clause H-3 does not contain the labor category of Sr. Research Scientist in Physical/Structural Acoustics; however, this position is identified in Attachment 2. In other words, Attachment 2 identifies twelve labor categories, and Clause H-3 identifies eleven labor categories. Is this labor category meant to be part of the Sr. Research Scientist labor category with the level of effort of 18,720 hours?"

ANSWER: Yes.

3. " Section 1 indicates that all key personnel must possess Secret clearances upon contract award, and that all personnel must be capable of obtaining Secret clearance. It appears from the tasks set forth in the Statement of Work that clearances are not required for all tasking. Does the Government truly desire for all key personnel to have and all other personnel to be capable of obtaining a SECRET clearance? "

ANSWER: Yes

4. "Page 14, Section I, Clause 52.216-11 "Contract Cost – No Fee Section L-5.The inclusion of this clause in Section I is inconsistent with other provisions set forth in Section B and Section L-5. Did the Government include this clause in error?"

ANSWER: No, this clause was included to cover any potential offers from non-profit organizations.

5. "Section I, Clauses 52.216-15, 252.209-7005 and 252.232-7000. These clauses appear to be applicable to educational institutions. Did the Government truly intend to include these clauses in this RFP?"

ANSWER: Yes, they were intended to be included in the solicitation to cover any possible offers from educations institutions.
