The purpose of this amendment is to answer questions from potential offerors and revise the requirements for key personnel.

A. Answer questions as follows:

1. A potential offeror makes a statement that Non-US Citizens are not capable of obtaining a clearance. And then asks " Is it the Government's intention to prohibit Non-US Citizens from working on any subsequent contract arising from this solicitation?"

ANSWER: No. And the potential offeror's assumption that non-US citizens are incapable of obtaining security clearances is incorrect.

2. The requirement for key personnel is hereby changed to the following: "It is anticipated that at least five individuals shall be designated as "Key" from the total number of individuals proposed to meet the requirements under the Senior Scientist and Senior Research Scientist labor categories identified in Attachment (2)."
