Description

This notice modifies the previous synopsis that was posted on May 4, 2004 of the FedBizOpps. The following questions are addressed with an individual response:

QUESTION 1

What is the appropriate response to item (5) which states that contractors will be evaluated based on their location in the general geographic area of the project?

ANSWER 1

The appropriate geographic area is between 180 to 200 miles from the Naval Research Laboratory (NRL).

QUESTION 2

Is there a preference for an architect or engineer to lead this team as prime?

ANSWER 2

We do not have a preference as to whether the lead is an engineering or architectural firm.

QUESTION 3

Is this a new or existing contract?

ANSWER 3

These are new contracts. There have been more than one contracts of a similar nature.

QUESTION 4

Will you be holding presentations or interviews following a shortlist or will you be awarding directly from the submissions? If there is an interview, what is the anticipated date for that?

ANSWER 4

Interviews are held with the firms that are slated. These are held within a month of the approval of the Slate Board Report. The goal is to have the Slate Board Report approved within a month of the closing date of the Announcement.

QUESTION 5

What is the anticipated date of award for the contracts?

ANSWER 5

Award is approximately three (3) months from the closing date of the Announcement.

QUESTION 6

Is there any duct cleaning or mold remediation jobs involved with the renovation and replacement of HVAC systems?

ANSWER 6

None is expected for the lead projects.

SUBMITTALS

The correct submittals for these projects are the 254 and 255 only.
