Delivery and acceptance is at NRL, Washington, D.C. 20375, FOB Destination. Contractors shall propose delivery schedules by CLIN and SubCLIN. Delivery schedule for CLINs 0001, 0002, and 0003 must be stated in terms of (contractors insert number) days from date of contract award. Delivery schedules for optional items must be proposed at (contractors insert number) days from date of exercise of option. The desired delivery schedule for CLINs 0001, 0002 and 0003 is 365 days from contract award. The desired delivery schedule for optional CLINs is between 45 and 60 days from exercise of option. The provision at FAR 52.212-2, Evaluation--Commercial Items is incorporated. The Government intends to award a contract resulting from this solicitation to that responsible offeror whose offer conforming to the solicitation will be the most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate the offers: (1) Technical Merit: The technical capability of the item being offered to meet the Government's requirement; And, the soundness of the Offeror's technical merit, including the Offeror's understanding of the technical requirement. (2) Price and (3) Past Performance: Past performance will be evaluated on the basis of the quality of the work performed or supplies delivered and timeliness of performance or delivery. The evaluation will be based on the information provided in the proposal and other sources if available. The evaluation will take into account past performance information regarding predecessor companies, or subcontractors that will perform major or critical aspects of the requirement. Offerors that have no relevant performance history or for which past performance information is not available will not be evaluated favorably or unfavorably on past performance. To facilitate the evaluation of this factor, offerors are encouraged to contact other contracting organizations (within the public or private sector) with which it has held contracts for the same or similar requirements and request they each customer complete the past performance report located at the following website. <http://heron.nrl.navy.mil/contracts/pastperf.htm> The report is to be submitted directly to the NRL address above, Attn: Contracting Officer. Both Technical and Past Performance, when combined, are of equal importance when compared to Price. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s). A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Offeror must complete and submit with its proposal, FAR 52.212-3 Offeror Representations and Certifications--Commercial Items and DFARs 252.212-7000 Offeror Representations and Certifications--Commercial Items, which are identified as B and available electronically at: <http://heron.nrl.navy.mil/contracts/rep sandcerts.htm>. The clause at FAR 52.212-4, Contract Terms and Conditions-Commercial Items and FAR 52.212-5, Contract Terms and Conditions Required To Implement Statutes or Executive Orders--Commercial Items, applies to this acquisition. The additional clauses cited within these clauses are applicable: 52.203-6, 52.219-4, 52.219-8, 52.222-3, 52.222-19, 52.222-21, 52.222-26, 52.222-35, 52.222-36, 52.222-37, 52.222-39, 52.223-9, 52.225-13, 52.232-33, 52.239-1, and 52.247-64.
