Description

This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Federal Acquisition Regulations (FAR) Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued. The solicitation, N00173-06-R-CB04, is issued as a Request for Proposal (RFP). The solicitation document and incorporated provisions and clauses are those in effect through FAC 2005-12 and DFARS Change Notice 20060814. The associated small business size standard is 500 employees. NRL has a requirement for Contract Line Item Number (CLINS) as follow: CLIN 0001 The contractor shall provide prescription safety glasses in accordance with Attachment No. 1 and 2. Delivery and

acceptance is at NRL, Washington, D.C. 20375, FOB Destination. The effective period of performance for which orders may be placed shall be a period of 5 years. Delivery shall be no later than 21 days from date of award of the work order. The following provisions apply to this combined synopsis/solicitation: The minimum quantity that will be ordered by the Government during the effective period of the contract is \$10,000 for supplies. The maximum quantity the Government may order per order is \$35,000 for supplies with a total cost to the Government not exceeding estimated range of \$125,000 to 175,000. The minimum and maximum quantities may consist of any combination of the items contained in the description of requirements. The inspection and acceptance will be accomplished by the Technical Manager 7 days after receipt of the work order. The Government anticipates awarding an IDIQ type contract with firm fixed price type orders. All responsible sources may submit a proposal which shall be considered by the agency. This solicitation will be issued full and open competition.

Additional proposal information: The offeror must propose on all three frames as stated in the specification, Attachment No. 1. Samples are not required in the proposal.

The complete Description of Requirements and quantity of each required for this combined synopsis/solicitation is available at <http://heron.nrl.navy.mil/contracts/RFP/06cb04.htm>. The provision at 52.212-1, Instructions to Offerors-Commercial, applies to this acquisition. The provision at FAR 52.212-2, Evaluation--Commercial Items is incorporated. The Government intends to award a contract resulting from this solicitation to that responsible offeror whose offer conforming to the solicitation will be the most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate the offers: (1) Technical capability of the product offered to meet NRL's needs (2) Price and (3) Past Performance. Technical and past performance when combined are of equal importance compared to price. Offeror must complete and submit with its proposal, FAR 52.212-3 Offeror Representations and Certifications--Commercial Items and DFARs 252.212-7000 Offeror Representations and Certifications--Commercial Items., which are identified as B and available electronically at : <http://heron.nrl.navy.mil/contracts/repandscerts.htm> The clause at FAR 52.212-4, Contract Terms and Conditions-Commercial Items and FAR 52.212-5, Contract Terms and Conditions Required To Implement Statutes or Executive Orders--Commercial Items, applies to this acquisition.
