Description

This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Federal Acquisition Regulations (FAR) Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued. The solicitation, N00173-06-R-JK06, is issued as a Request for Proposal (RFP). The solicitation document and incorporated provisions and clauses are those in effect through FAC 2005-12 and DFARS Change Notice 20060808. The associated small business size standard is \$11,000,000.00. NRL has a requirement for a Commercial Off the Shelf (COTS) High-Pressure Water Mist System that can meet the Navy's fire test standard for machinery space fire protection. The complete specification and/or other information required for this combined synopsis/solicitation is available at <http://heron.nrl.navy.mil/contracts/rfp/06JK06.htm>. The Contracting Officer may make multiple awards

resulting from this solicitation.
