### Description

This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Federal Acquisition Regulations (FAR) Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued. The solicitation, N00173-06-R-LS03, is issued as a Request for Proposal (RFP). The solicitation document and incorporated provisions and clauses are those in effect through FAC 2005-11, DFARS change 20060711, and Class Deviation 2006-E0003 & NMCARS(03-8). The associated small business size standard is 500 employees. NRL has a requirement for Contract Line Item Number (CLIN)

0001 - Class 1000 Split Level Clean Room and CLIN 0002 ? Drawings and Documentation in accordance with the Exhibit A, DD Form 1423. The complete specification, as well as, other information required for this combined synopsis/solicitation is available at <http://heron.nrl.navy.mil/contracts/RFP/06ls03.htm>. Delivery and acceptance is at NRL, Washington, D.C. 20375, FOB Destination. Delivery shall be no later than sixteen weeks from date of award. The provision at 52.212-1, Instructions to Offerors-Commercial, applies to this acquisition. The provision at FAR 52.212-2, Evaluation--Commercial Items is incorporated. The Government intends to award a contract resulting from this solicitation to that responsible offeror whose offer conforming to the solicitation will be the most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate the offers: (1) Technical Merit: The technical capability of the item being offered to meet the Government's requirement; and, the soundness of the Offeror's technical merit, including the Offeror's knowledge and understanding of the requirements of designing, fabricating, and installing the clean rooms in spaces similar to the one detailed in the Specifications. (2) Company Experience, (3) Price and (4) Past Performance: Past performance will be evaluated on the basis of the quality of the work performed or supplies delivered and timeliness of performance or delivery. The evaluation will be based on the information provided in the proposal and other sources if available. The evaluation will take into account past performance information regarding predecessor companies, or subcontractors that will perform major or critical aspects of the requirement. Technical Merit, Company Experience and past performance when combined are significantly more important than price. Offeror must complete and submit with its proposal, FAR 52.212-3 Offeror Representations And Certifications--Commercial Items and DFARS 252.212-7000 Offeror Representations And Certifications--Commercial Items., which are identified as B and available electronically at: <Http://heron.nrl.navy.mil/Contracts/Repsandcerts.htm>.
