Description

This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Federal Acquisition Regulations (FAR) Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued. The solicitation, N00173-06-R-MS02, is issued as a Request for Proposal (RFP). The solicitation document and incorporated provisions and clauses are those in effect through FAC 2005-08 and DFARS Change Notice 20050123. The associated small business size standard is 334515 and number of employees 500. NRL has a requirement for an event timer capable of generating extremely

precise epoch time-tags for the Naval Research Laboratory satellite laser ranging system. CLIN
0001: The contractor shall deliver one event timer in accordance with the specifications. CLIN
0002: Data in accordance with the Contract Data Requirements List, DD 1423.
