Department of the Navy, Office of Naval Research, Naval Research Laboratory, 4555 Overlook Ave. S.W., Washington, DC, 20375, UNITED STATES

Description

The Naval Research Laboratory has a requirement for five fiber laser modules, with four options to procure an additional ten (10) each, if exercised. Each of the four options may be exercised at any time within three years from date of award. The initial delivery of fiber lasers is required within eight months after date of award. Detailed specifications will be included with the solicitation. NRL uses Electronic Commerce to issue Requests for Proposals (RFPs) and amendments to RFPs. Paper copies of the RFP will not be provided. All responsible sources may submit a proposal which shall be considered by the agency. This and other business opportunities for NRL are available at our website <http://heron.nrl.navy.mil/contracts/rfplist.htm>
