The Government may require delivery of the Optional items under any resulting contract by the Contracting Officer's giving written notice anytime from the date of contract award through one year. Potential offerors may bid on all or part of this requirement. The Government reserves the right to make multiple awards resulting from this combined synopsis/solicitation.

The complete specification and/or other information required for this combined synopsis/solicitation is available at <http://heron.nrl.navy.mil/contracts/rfp/07tb07.htm>. Delivery and acceptance is at NRL, Washington, D.C. 20375, FOB Destination. Delivery shall be no later than December 28, 2007. The provision at 52.212-1, Instructions to Offerors-Commercial, applies to this acquisition.

The provision at FAR 52.212-2, Evaluation--Commercial Items is incorporated. The Government intends to award a contract(s) resulting from this solicitation to that/those responsible offeror(s) whose offer(s) conforming to the solicitation will be the most advantageous to the Government, price and other factors considered. The proposal must demonstrate an understanding of the requirement and the ability to meet the specifications. The Government reserves the right to make award to other than the low offeror.

The following factors shall be used to evaluate the offers: technical capabilities and price. The technical factor is more important than the price factor. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s). The documentation provided by offerors must include names or POCs.

Offeror must complete and submit with its proposal, FAR 52.212-3 Offeror Representations and Certifications--Commercial Items and DFARs 252.212-7000 Offeror Representations and Certifications--Commercial Items., which are identified as B and available electronically at : <http://heron.nrl.navy.mil/contracts/rep sandcerts.htm>
