Solicitation Number: N00173-08-R-GA01
Notice Type: Modification/Amendment

Synopsis:
 Added: Jul 21, 2008 12:05 pm
 The purpose of this amendment is to answer questions for potential offerors.

Q: What is the correct time for the proposal to be received?
 A: An original and two copies of the offeror proposal shall be received on or before July 30, 2008, 4:00 P.M., local time at the NRL address cited in the solicitation.

Q: The specifications for the EDS SDD detector do not indicate an SDD chip size.
 A: There is no specific chip size required.

Q: This SOL includes the trade-in of a LEO 1550 SEM. Please provide the following information about the system: year installed, key optional accessories on the system, is it currently covered by an annual service contract from the vendor, what computer level is it running on, and what is the current version of vendor software that it has been upgraded to.
 A: Year installed approximately 1994. Key optional accessories on the system are EDAX EDS system, Rutherford Backscatter detector. Maintenance is current and maintenance contract is up-to-date. It is running on Windows 98. It has been upgraded to the latest available LEO software for Windows 98.

Contracting Office Address:
 4555 Overlook Ave. S.W.
 Washington, District of Columbia 20375

Place of Performance:
 At Contractor's facility

United States
