Added: Apr 08, 2008 1:25 pm

The Naval Research Laboratory has a requirement for the purchase of a Telescope Gimbal Mount to perform the satellite lase ranging, space situational awareness imaging, and tracking of airborne platforms for free space lasercomm for which the CPP facility was intended. The government anticipates awarding a Firm Fixed Priced contract for this procurement. The small business size standard is 500 employees. A complete specification will be issued with the solicitation. All responsible sources may submit an offer, which will be considered. The NRL uses Electronic Commerce (EC) to issue RFP's and amendments to the RFP's. Paper copies of the RFP will not be provided. The proposed contract listed here is to be awarded under full and open competition. All responsible sources may submit a proposal, which shall be considered by the agency. This and other business opportunities for NRL are available at our website <http://heron.nrl.navy.mil/contracts/rfplist.htm>. The actual due date for proposals will be stated in the solicitation when issued. The government does not intend to use FAR Part 12, Acquisition of Commercial Items.
