The purpose of this amendment is to provide additional information requested from a prospective offeror and revise the date specified for receipt of offers.

1. Item 6. FAR 52.212-2 – EVALUATION – COMMERCIAL ITEMS (JAN 1999) section (a) provides additional information as follows:

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

(1) Price

(2) Technical capability of the item offered to meet the Government requirement.

(a) The proposal must clearly demonstrate the offeror's ability to meet the specifications for the RF Susceptibility Test System stated in the SOW. Any deviation from the specification must be discussed. Describe the technology and design innovations used in the amplifiers.

(3) Past Performance

(a) (1) Offerors shall submit the following information as part of their proposal. (Offerors are encouraged to submit the information prior to other parts of the proposal to assist the government in reducing the length of the evaluation period.) List the last 6 contracts or subcontracts completed during the past 4 years for services similar in nature to this requirement. Include in the 6 any current contracts or subcontracts for similar services that were awarded at least one year prior to the date of this solicitation. Offerors that have no similar previous or current contracts should provide the requested information for proposed subcontractors that will perform major or critical aspects of the requirement or for the proposed project manager or key personnel responsible for major or critical aspects of the requirement.

1. Name of contracting organization.

2. Contract number

3. Contract type

4. Total contract value

5. Description of the contract work

6. Contracting officer and telephone number

7. Contracting officer's representative, program manager, or similar official and telephone number

(2) Offerors shall contact the contracting organizations identified pursuant to paragraph (a) as soon as possible and request them to send past performance information on the identified contracts to the address in Block 7 of the face page of this solicitation. The past performance report which is available electronically in full text at <http://heron.nrl.navy.mil/contracts/home.htm> is to be provided to the contracting organization for this purpose. If the contracting organization has

already collected past performance information on the contract pursuant to FAR Subpart 42.15, the format used to collect the information may be used instead of the past performance report.

(3) Offerors may include in their proposals specific information relating to problems encountered in performing the identified contracts and any corrective actions by the offeror. Offerors should not provide general information on their performance on the identified contracts as this will be obtained from the contracting organizations.

Technical and past performance, when combined, are of equal importance when compared to price.

2. The revised date for receipt of offers is as follows:

FROM: 4:00 P.M. 26 Aug 1999 TO: 4:00 P.M. 03 Sep 1999, Eastern Standard Time
